## **BANNER STAND, STRETCH**

36 x 90”

### **FILE SPECIFICATIONS**

Convert all colors, images, and graphic elements to CMYK Color Mode (no RGB or Pantones, please!)

Keep all important elements inside of blue safe zone. All background elements should extend all the way to the cut line.

Final artwork resolution should be 150dpi.

Please submit final files as High-Quality Print PDF or packaged InDesign document.

### **NOTE:**

For double-sided banners, duplicate this page and submit two files.
