

WASTE
AREA

The diagram features a central light gray circle containing the text "WASTE AREA". This circle is surrounded by a white ring, which is further enclosed by a green circle. A green dashed horizontal line is positioned below the green circle. The entire diagram is framed by a green border that is vertical on the sides and curves at the top. The page is marked with crop marks at the corners.

WASTE
AREA

The diagram features a central light gray circle containing the text "WASTE AREA". This circle is surrounded by a white ring, which is further enclosed by a green circular line. A larger green arch-like shape encompasses the top half of the diagram. A horizontal dashed green line spans the width of the diagram, positioned below the green circular line and above the bottom half.
